Drivers, be aware that this schedule will be followed as closely as possible; so when you are scheduled to be on the track have your sled(s) in the paddock and ready to go. All practice entries must be done online at the Derby web site and the cut off for practice registration will be the same as cut off for race registration, there will be no late registration for practice. All sleds must be pre tech'd before going on the track for practice and you must check in at registration for credentials. If for any weather related cancelation of testing all monies will be refunded at driver check in at registration.

World Snowmobile Headquarters "SWEET SIXTEEN POLE POSITION"

The top sixteen competitors from Thursday's time trial qualifications will compete Friday night in two heats of eight. Each heat will be eight laps. The top five competitors from each heat will move on to make up a ten machine special qualifier. The winner of this sixteen lap race will move directly to the pole position for Sunday's World Championship race and will not be required to compete in any other qualifying events. The other nine competitors remain seeded in the conventional format for Saturday's race.
